Hon. Mrs Victoria Pamugo,  
Founder/Chairperson Diasporas for PDP,  
Houston, Texas,  
United States of America.

Dear Victoria Pamugo,

## **LETTER OF COMMENDATION.**

Let me start this piece by rendering my sincere apology for not being able to make it to the Summit 2022, Diasporas for PDP, which is holding in Houston, Texas, USA. My inability to attend is due to an inevitable delay which occurred in the process of renewing my International Passport. Kindly hold me excused.

I want to thank you, Mrs Victoria Pamugo for this great initiative of getting the Diasporas to come together in the USA and from other Countries of the world, to bond with and support the success of the PDP in Nigeria. Your activities have massively enlightened and mobilised the Diasporas in support of the PDP. I recall that a few months ago, you organised an International Zoom Conference which brought the Diasporas and the PDP members in Nigeria together in a very thorough Interactive Session, chatting the growth and development for PDP. I proudly acknowledge the great impact that Conference which I participated in, made. The Theme of your last Conference (Diasporas Voting Rights, Participation, Diversity and Inclusion), was timely and very much needed to be addressed in the Nigerian Political Milieu.

It is no mean feat that your Summit has attracted the Presidential Candidate of the PDP, Alhaji Atiku Abubakar (GCON), his Vice-Presidential Candidate, Dr Ifeanyi Arthur Okowa and other top PDP leaders to grace the occasion. This is highly commendable and I believe that the outcome of this Summit will be very robust and beneficial towards the acceptability of the PDP in Nigeria and abroad.

I hereby beat my chest as I commend you for the great job you have been doing in bringing about improved Political Participation and bridging the gap between PDP members in Nigeria and those of the Diaspora.

Accept my regards as I urge you to keep up the good work. Congratulations!
